

SUN COAST
OSTEOPATHIC FOUNDATION
SATURDAY IN THE PARK

The Sun Coast Osteopathic Foundation invites your company to join us at our 6th Annual Saturday in the Park Family Health Fest at Largo Central Park on Saturday, May 13th 2017 from 11:30 a.m. until 3:00 p.m.

This Health Festival is a community event celebrating families and promoting healthy lifestyles. It will include live music, children's activities, entertainment and educational experiences for family members of all ages. Admission to the park is free and food and beverages are available for purchase.

Emphasizing a comprehensive health perspective, the event will feature your own messaging as part of a Health and Wellness Lifestyle Fair. The theme will extend to demonstrations and exhibits by local non-profit agencies and other community health and service providers. Fitness experts will lead willing participants in warm up exercises to get them ready to move!

For music lovers, the main stage comes alive for hours of non-stop entertainment featuring local musicians. Families will delight in off-stage performances by fun entertainers.

The Sun Coast Osteopathic Foundation is an independent 501(c)(3) public organization with a mission to improve the health and quality of life in Largo and Pinellas County. Our emphasis on health education, disease prevention, research, and service is consistent with the organization's Osteopathic heritage, which took root at Sun Coast Hospital in Largo half a century ago.

The Foundation supports education through scholarships for Osteopathic medical and nursing students with a priority to those intending to practice locally. We also support local nonprofits serving Pinellas County- over \$200,000 has been granted to the following organizations:

Abilities/ServiceSource

American Cancer Society-Local Chapter

Armed Forces Museum Veterans Health Fair

City of Largo Community Center

City of Largo "Play Unplugged"

CASA- Community Action Stops Abuse
