

SUNCOAST OSTEOPATHIC FOUNDATION

Spring Health Fling

**The Sun Coast Osteopathic Foundation invites your company to join us at our
7th Annual Spring Health Fling at Largo Central Park on
Sunday, April 8, 2018 from 11:00 ~ 2:30**

This Health Festival is a community event celebrating families and promoting healthy lifestyles. It includes music, children's activities, entertainment and educational experiences for family members of all ages. Admission to the park is free and food and beverages are available for purchase.

Emphasizing a comprehensive health perspective, you will be able to feature your own messaging to promote a healthy lifestyle. The theme will extend to demonstrations and exhibits by local non-profit agencies and other community health and service providers. We will be encouraging outdoor play and exercise with entertaining challenges from our DJ!

The Sun Coast Osteopathic Foundation is an independent 501(c)(3) public organization with a mission to improve the health and quality of life in Largo and Pinellas County. Our emphasis on health education, disease prevention, research, and service is consistent with the organization's Osteopathic heritage, which took root at Sun Coast Hospital in Largo half a century ago.

The Foundation supports education through scholarships for Osteopathic medical students and nursing students with a priority to those intending to practice locally. We also support local nonprofits serving Pinellas County- over \$220,000 has been granted to the following organizations:
